At-Home **Faith Formation Tip** - The Examen is a helpful daily prayer [tool](#) that Christians have used for hundreds of years to review their day in a godly way. This is a great bedtime practice for people of all ages. A simplified Examen looks like this: First, pray that God will give you insight. Then ask yourself two questions: "What was I most grateful for today?" and "What was I least grateful for today?" Close in prayer, thanking God for the blessings of the day and asking God's help with your shortcomings.

Please support World Renew's COVID-19 International Response today to save lives in Haiti, India, and around the globe by reducing the transmission of COVID-19. Your gift provides vital hygiene kits, supplies for handwashing, emergency food, plus protective equipment for staff making deliveries of food and hygiene supplies.

Any amount will help us meet this critical need for the thousands of at-risk people we serve. Thank you for your prayers and gifts—both will make a significant difference!
