Ascension Day - Picture a kite soaring high in a summer sky. "Even though we know scientifically how kites fly, there is still something magical, mysterious, beautiful, and special about the sight of a kite battling back and forth on an invisible breeze, tail twirling in the wind. Talk about how the disciples must have felt seeing Jesus rise to heaven. What emotions would they have felt (nervous, sad, excited, inspired?)

Next Sunday, May 24 we will continue our Morning worship service on-line. The Council will be re-evaluating how to worship on a weekly basis.

Rev. Tinklenberg will be leading us in worship.
