The week that local churches began live-streaming worship services was the week that **Western Christian** board members placed **Spring Drive** requests in church mailboxes. Spring Drive gifts are used for tuition relief and special needs at Western Christian. As of this week we are grateful that over \$50,000 has been donated to the Spring Drive towards our \$90,000 goal. Many church members probably have not been picking up their mail from their church mailbox, but with churches opening up now we hope you will still make a gift to Western Christian. You can also make your gift electronically by clicking on <https://www.westernchristianhs.com/support/donate.cfm> and following the instructions given. The students, staff, and Board of Directors at Western Christian thank you for your consideration

SERVE 2020 - SERVE@Home - In light of the current pandemic situation, Youth Unlimited has made some changes to this year's SERVE program. Rather than sending students across the country to serve, SERVE@Home equips local churches and home congregations to serve in their home communities. Groups who participate in SERVE@Home will receive resources from Youth Unlimited to make the week more than just a community service project.
