### Bible League prayers requests for Africa

**Madagascar.** Pray for protection and safety for Brother Hoby, BLI's ministry coordinator. He always has many miles of traveling. Pray for a profound impact of the *Project Philip* Bible study and training for new Bible study leaders which took place recently.

**Mozambique.** Praise the Lord God Almighty for being so good. Give thanks for a *Project Philip* graduation that took place this month for 64 people who received Tsonga language Bibles. They were elated and thankful for the gift.

**Zambia.** A field visit was recently conducted to monitor and evaluate the implementation of the Audio Bible ministry among vulnerable people, including visually impaired persons and those with reading challenges. Give thanks that local people are positively implementing the program according to Bible League's standards and objectives. Praise God for the partners who are implementing the Audio Bible ministry in their churches and communities.

**Many people pray as if God were a big aspirin pill. They only come to Him when they hurt.**

**We warmly welcome all who have come to worship with us today. The ALS system is available for those with hearing impairments.**
