**WORDS OF LOVE ~** Words can change the way we think about ourselves. When you choose your words wisely, it helps your friends remember that God loves them and that you also love them. And that helps your friends feel good about themselves. Check out all the great content at **kidscorner.net**, like the Faith Practices for Families Ebook Collection.

**Humanity Falls** - Just after the story of creation, the Bible tells us the story of humanity's fall. This theme emphasizes the catastrophic impact of sin on humanity and creation, and clearly articulates our universal need for a Savior in Jesus Christ. Listen now at **GroundworkOnline.com** and subscribe to Groundwork's weekly emails for future episodes.

**Thrive Faith Formation Tip** - Look for service opportunities that allow you to serve "with" people in need, rather than doing things "to" or "for" them. And always remember to look for things you can learn from people you serve. Learn more at **crna.org/FaithPracticesProject**
